

SNUA Active Members Spring 2016

If you are on this list that means you have active member status for the semester of Spring 2016.

If you have a star by your name that means you have active member status for the semester of Spring 2016, but you are missing active member status for a previous semester.

If you are on this list with no star by your name, that means you have achieved active member status for all semesters that you have been in the CON.

If you are not on this list at all, then we either did not receive your activity card this semester or, for some other reason, you have not received active member status for this semester.
